Subject: Student Disciplinary Incident Follow-Up

Date: Monday, September 2, 2024 9:13 AM

Hi Jill,

Just looping back on the hallway incident from last Friday. [REDACTED] and [REDACTED] were both involved — it seems Clara may have started it, but Hunter escalated things. I've asked Officer Daniels to check the hallway cameras. We'll need to schedule a meeting with their parents sometime this week. Also, please remind the security staff that any follow-up needs to go directly to discipline@d123.org.

Best,

Katie

Hi Team,

I've noticed that [REDACTED] has been falling behind in both English and Science. She failed the last two quizzes and has been absent three times in the past two weeks. I checked with her teachers, and it looks like there may be something going on at home. Please reach out to her parents. Also, her school email is [REDACTED] in case we want to send her a wellness check message.

Thanks,

Mark Richards
